

You can play a key role in helping our brand succeed...

Wine Country Ontario belongs to all of us and collectively we will build this new brand into a recognizable, meaningful and exciting brand for wine drinkers everywhere.

It will be through our collective efforts; telling our story and creating a consistent customer experience—across all touch points that we will achieve this goal.

Our new brand is more than just a wine category or a logo but rather it is about the whole experience, from soil to sun to cuisine to music and shopping. We are a lifestyle, a celebration of the magic and wonder of “place.”

BE PROUD!

Show your pride as a property of Wine Country Ontario with this architecturally and complementing black polished granite sign. Display it prominently in a location highly visible for your customers.

Wine Country Ontario

Polished Black Granite Pride Sign

Solid polished granite, crafted to be installed outside and withstand environmental elements.

The photos are a sampling of installations, in highly visible locations in a variety of backgrounds and applications on stone and wood.

If you have questions or need assistance installing the sign, contact Linda Watts at 905-684-8070 Ext 223 or linda.watts@winesofontario.org
