WAR of 1812 activities

With events starting this Fall regarding the celebration of the bi-centennial of the War of 1812. We are asking for wineries to let us know if and what events you are participating in or if you have any specially labeled wine in honour of 1812 etc.

We are working with the 1812 Legacy Council and will be partnering to promote winery tourism to the expected tens of thousands of tourists entering the regions (Niagara, PEC and LENS) for 1812 activities over the next 18 months or so.

If participating or planning anything special, please send a quick overview to Regina at regina.foisey@winesofontario.org.

If you are interested in participating – let me know as we will be communicating ideas over the next few months.
