* Any imported spirits products wishing to re-quote to increase their retail price, as a result of the new minimum prices, may do so by completing the above template. This template, along with the new quote letter, must be sent via e-mail to pricing@lcbo.com and merchandisingsupport@lcbo.com by January 18, 2016.

The new retail prices for these products will be forced up on February 29, 2016 based upon the revised quote and the targeted retail as indicated above. Upon purchase order receipt, prices will be recalculated based on current quote and rates.

If the LCBO category team does not receive a completed template, it will be assumed that the supplier does not wish to have the retail price forced up as stated above. The new retail price will be calculated according to the regular Import Price Schedule based upon purchase order receipts. Please note that in this latter circumstance, it is possible that any approved Limited Time Offers (LTO) will be cancelled should they fall below the new minimum retail prices.
