

INTERNATIONALTM PINOT CHALLENGE

The Wine Judges of Canada <http://www.winejudgesofcanada.com/>, is hosting its Second Annual International Pinot Challenge in November of 2014. This Challenge will consist of Pinot Noirs produced by wineries worldwide. Wines may be entered by wineries, their agents or importers. Please accept this email as an invitation to enter our Challenge.

This Challenge will consist of a double blind tasting judged by the highest standards of National and International professionals as our judging panel. This Pinot Noir Challenge allows you to promote your varietal specific wine via an international platform.

Award winning wines will be linked directly to each winery's address provided on your entry form. The media will be present to cover this Challenge and press releases announcing the winners will be provided on line. Wines will be scored out of 100 points and will receive double gold, gold, silver or bronze medals with ribbon and a certificate for display. Double-Gold award is the result of a unanimous decision by a panel of judges. All awards will be mailed by December 1, 2014. Foil bottle stickers will be available for all medal winners. Mailed along with the bottle stickers will also be the judges' notes.

Please visit our website <http://internationalpinotchallenge.com/> for the entry form, entry fee, method of payment and rules and regulations. Shipment of wines must be received by November 7, 2014.

We are very excited about this Challenge focussed entirely on Pinot Noir and look forward to the receipt of your entries.
